Message
from the Executive
Chairperson

**Prof. Dr. Sriram
Bhagut Mathe**

Dear Students, Alumni, Parents, Guardians, Faculty, Staff, Friends and Well-wishers of Xavier Academy (XA) and Kathmandu Don Bosco College (KDBC),

On behalf of the Board of Directors of XA and in my personal capacity as the Founding Chairman of XA and current Chairman of XA and KDBC, I would like to wish all of you and all your family members a **VERY HAPPY, NEW YEAR 2025 AD.**

Let us pray that the world will be more peaceful and more joyful in 2025 and thereafter. Hope that sanity prevails and the world becomes a better, happier and healthier place for the entire humanity than in previous years.

Continued Emphasis on Building Character

As we enter into the 28th year of operations, we are very pleased that the motto of **"academic excellence and total personality development"** has guided us and remains at the center of our value system. However, cognizant of the fact that character, morality, ethics are more important than academic excellence, we have tried our best to build character and citizenry so that they will contribute to making better and happier communities.

The start of the New Year is always the best time to reflect on the achievements and the lessons learnt from the previous year and plan for the new year. As the world becomes more uncertain and more dangerous, with the possibility of a 3rd World War, which will certainly destroy most of humanity, we need more ethical and good leaders, more than ever before.

Late Ratan N Tata's Best Quotation

As we make promises for the New Year, we need to introspect and imbibe on what the very reputed and iconic industrialist and philanthropist, late Mr. Ratan Naval Tata (28 Dec 1937-90Oct 2024) has stated:

In the end, we regret the chances we didn't take. If you want to walk fast, walk alone. But if you want to walk far, walk together. The only way to win is to not be afraid of losing. The greatest failure is not to try. Never compromise on your values and principles, even if it's the hard way.

His advice on taking chances, walking together (team work) to go far, and not to be afraid of losing, and reminding us that our greatest failure is not trying and advising us to never compromise on values and principles, truly capture the type of education we are trying to impart to our students in XA and KDBC.

Fast Success builds Ego

Another of his famous quote "Slow success builds character, fast success builds ego" probably explains the very egoistic behavior of our political leaders. They have achieved success very fast, without working very hard. They do not understand nor appreciate the significance of "a hard day of honest work". Therefore, success has gone to their heads. All that they are worried about is themselves, their families, relatives, friends, their parties and their party cadres. The nation's interests and the interest of the common people are at the bottom of their priorities. They are only concerned with power (and money). No wonder, they are very busy playing musical chairs to be the Prime Minister time and again.

Partnership with Best Montessori

We have recently tied up with Best Montessori Elementary School and we are in the process of rebranding Best Montessori School into Xavier Academy Best Elementary School. Designs are being formulated to renovate existing structures, build new facilities so that the school is of same standard, facility-wise, as Xavier Academy. Both institutions will share facilities. The school will have access to our labs, library and conference facilities and Xavier Academy will have access to the school's futsal facility. We are very keen to work with Mr. Sanjay Lama and Mrs. Sushma Lama, who are pioneers in Montessori education, and have a proven track record of imparting quality education. With Best Montessori at the lower level and KDBC at the higher level, Xavier Academy is now complete from Grade 1 to Master's level.

Our New Building Project – Turning Dream into Reality

From the very beginning of this year, I, personally, along with Prof. Dr. Pramod Shrestha and Prof. Dr. Sangeeta Singh, have been very busy with the very ambitious plan of constructing a new building for Xavier Academy. Based on a very thorough and competitive design competition, Little More Studio (LMS) was awarded the 1st prize during the 27th Anniversary function and Fresher's Welcome program on 1st of August 2024. After a series of discussions and negotiations, the contract for designing the new building was signed on 26 September 2024 and the revised conceptual design was formally approved on 5 November 2024. The detailed design is in full swing with the design to be submitted for municipality approval at the end of the month and construction to start in the beginning of April 2025 and to be completed by the end of March 2027 for it to be formally inaugurated as part of the 30th Anniversary celebration on 1st of August 2027.

All the Best in the Upcoming Exams

I would like to take this opportunity of wishing all the students of XA and KDBC the very best in their studies and success in the upcoming examinations. Always remember to dream big and to work hard to achieve your dreams, and if we all help each other and walk together, we will go far. Let us promise to always strive to make this world a better, happier and healthier place for all of us and for the coming generations.

We wish to reassure all our students and their parents/guardians that we will continue to give our students the best of education and develop their total personality so that they will enhance the reputation of XA and KDBC and make our country proud.

All THE Best

XAVIER ACADEMY

From the Principal's Desk

Dear Students, Parents, Teachers, and Well-wishers of XA & KDBC Family

As we approach the joyous season of **Christmas** and step into the promising **New Year 2025**, I extend my heartfelt wishes to you and your families. May this festive season fill your hearts with warmth, joy, and inspiration to achieve greater heights in life.

At **Xavier Academy**, we believe in the transformative power of education. It is the light that can guide each one of you to unmatched success and profound satisfaction. Academic excellence is not just a goal-it is a pathway that can elevate you to realize your

dreams. It is important to understand that a truly remarkable life stems from a well-rounded personality built on the foundations of good character, strong ethics, firm zeal, and the fire to pursue your dreams relentlessly.

This year, Xavier Academy has embarked on an exciting journey by collaborating with Best Montessori under the esteemed leadership of Prof. Dr. Sriram Bhagut Mathe. Together, we are committed to providing quality education and nurturing young minds from Grade 1 all the way to the Executive Master's program. This partnership strengthens our

mission to empower you with the tools, skills, and knowledge needed to thrive in an ever-evolving world.

I also take this opportunity to welcome our students of BBA and MBA 2024 Intake. Your association with **Kathmandu Don Bosco College** will help you progress not just academically but personally as well. At KDBC, we ensure that your learning experiences are facilitated by some of the best faculty members in Nepal. We believe that education is not just limited to a certificate alone, but transcends beyond the limitations of the paper. It is classroom knowledge, projects, assignments, workshops, examinations, and many other forms of learning that amalgamate to broaden your horizon. I request you all to give your best to your academic pursuit to be able to cherish its fruits for a life time.

As your principal, I urge you to embrace every opportunity to grow, both academically and personally. Be curious, remain disciplined, and always strive for excellence. Remember, each of you has the potential to achieve greatness. Set your goals high, work tirelessly towards them, and never let challenges deter you from your path.

Let this festive season be a time to reflect on your aspirations, renew your determination, and step into a new year with hope and courage. Together, let's make this year a year of remarkable achievements and meaningful contributions.

Merry Christmas and a very Happy New Year 2025!

Warm regards,

Rashmi Sharma Mainali
Principal

NEF INTER COLLEGE NEPALI ESSAY COMPETITION

15 Aug 2024

As part of our commitment to fostering cocurricular excellence, XA organised NEF Inter College competition in BBMC Panipokhari in this academic session too. Demonstrating exceptional skill and dedication, Pratista KC, a Grade XI Science student, secured the first prize in the Nepali category of the prestigious NEF Nepali Essay Competition. This remarkable achievement reflects Pratista's hard work and dedication, bringing pride to the entire Xavier Academy community.

We also extend our heartfelt appreciation to Bandana Ghale, Ritima Shrestha, and Sajina Karki for their enthusiastic participation in the competition. Their commitment and efforts serve as an inspiration to us all.

Congratulations to Pratista and our talented participants - your perseverance and achievements continue to elevate the standards of Xavier Academy!

A CEREMONY OF LEADERSHIP AND TRANSITION AT XAVIER ACADEMY

15 August 2024

To hone the leadership skill of students, the student council members coordinated a ceremony that embodied the spirit of Xavier Academy. Outgoing council members ceremoniously passed the baton to their successors by presenting badges symbolizing their new roles. This tradition underscores the Academy's deep commitment to leadership, responsibility, and the seamless continuation of its legacy.

The outgoing council, who admirably served and led the student body, took pride in bestowing these badges to the newly elected representatives. This act of passing the badge not only signifies the shift in responsibilities but also reinforces the Academy's values of mentorship and sustained growth.

With their official recognition through these badges, the new council members are ready to carry forward the legacy of their predecessors while bringing fresh perspectives and ideas to their roles. As they embark on this new chapter, the Xavier Academy community stands united behind them, confident in their ability to uphold and further the values that have long defined the Academy's tradition of excellence.

XAVIER ACADEMY MODEL UNITED NATION (XAMUN)

16-18 Aug 2024

XAMUN 2024, held from August 16-18 at Club Himalaya in Nagarkot, brought together over 100 participants for three days of diplomacy, debate, and camaraderie. The event, which took six months of meticulous preparation, was hailed as one of Nepal's most notable MUN conferences to date, with distinguished international and local guests gracing its sessions. Chief Guest Michael Kroft, along with Prof. Dr. Sriram Bhagut Mathe and Mr. Prakash Shrestha, contributed their insights, adding to the gravitas of the conference.

The five committees, ranging from the high-stakes Security Council to the entry-level Food and Agriculture Organization, delivered vibrant debates and resolutions. The Security Council, chaired by seasoned leaders, tackled complex global crises with commendable rigor, while the Human Rights Council demonstrated the power of negotiation as opposing blocs found common ground.

Beyond the committees, XAMUN emphasized cultural exchange and personal growth. Events like

the Global Village, Diplomatic Dinner, and The Great Gatsby Soirée allowed participants to unwind and forge connections. The closing ceremony marked a bittersweet farewell, as delegates reflected on transformative experiences that embodied the spirit of teamwork and diplomacy.

XAMUN 2024 left an indelible mark on all who attended, setting a new benchmark for Model United Nations in Nepal and inspiring the next generation of global leaders.

MOTIVATIONAL TALK BY PURNIMA SHRESTHA: A TRAILBLAZER IN MOUNTAINEERING

9 Sep 2024

Xavier Academy was honored to host a motivational talk by Purnima Shrestha, a true pioneer in mountaineering. Purnima made history by becoming the first woman to summit Mt. Everest three times in a single season, an incredible achievement that has inspired countless individuals.

Purnima reached the summit of the world's highest peak with 8K Expeditions on all three occasions:

12 May 2024: First summit, accompanied by Phura Temba Sherpa

19 May 2024: Second summit, with Pasang Sherpa

25 May 2024: Third summit, with Karma Gyaljen Sherpa

Her courage, perseverance, and determination to conquer Mt. Everest three times in such a short time span left a lasting impression on all who attended. Purnima's story is a powerful reminder that with hard work and resilience, even the most challenging goals are achievable. We are grateful for the opportunity to hear from such an inspiring figure in the world of mountaineering.

INDUSTRIAL VISIT

16 Aug 2024

On a productive one-day industrial visit to Varun Beverages in Pepsicola, Kathmandu, MBA 1st and BBA 5th-semester students had the opportunity to gain firsthand exposure to the inner workings of a leading beverage manufacturing facility. Known for their expertise in producing and distributing a wide range of carbonated and non-carbonated beverages, Varun Beverages provided a unique platform for students to witness industry operations up close.

The visit offered valuable interactions with experienced professionals, helping bridge the gap between classroom learning and real-world applications. Students were able to observe the manufacturing processes, understand supply chain dynamics, and gain insights into the complexities of the beverage industry.

This immersive experience enriched the students' academic journey, equipping them with practical knowledge and a deeper understanding of corporate operations, ultimately preparing them for future success in the business world. To make the visit even more enjoyable, students were welcomed with refreshing beverages, enhancing the overall learning experience.

PODCAST CLUB

1 Sep

Driven by a desire to create engaging digital content and foster meaningful connections, BBA students at Kathmandu Don Bosco College (KDBC) have launched "MIC on US," an innovative student-run podcast club. This initiative represents a significant step towards empowering students to explore the world of digital media and develop valuable skills in content creation. "MIC on US" is designed to be a dynamic platform for producing a variety of content, including podcasts, vlogs, and other digital media formats. The club's core mission revolves around inviting guests from diverse professional fields to share their experiences, insights, and expertise. This approach not only provides valuable learning opportunities for KDBC students but also creates a bridge between academia and the professional world. By engaging with professionals from various backgrounds, students gain firsthand knowledge of different industries, career paths, and the challenges and opportunities that lie ahead. The "MIC on US" podcast club aims to be more than just a content creation platform; it aspires to be a source of inspiration, motivation, and valuable networking opportunities for fellow students. Through thought-provoking conversations and engaging content, the club seeks to enrich the student experience at KDBC and prepare them for success in their future endeavors. The initiative showcases the students' proactive approach to learning and their commitment to contributing to the college community.

TEEJ CELEBRATION

5 September 2024

Kathmandu Don Bosco College recently resonated with the vibrant spirit of Teej, a significant Hindu festival dedicated to Goddess Parvati and celebrating the bond of marriage and well-being of families. The college's Student Welfare Council took the lead in organizing a memorable Teej celebration, bringing together students, faculty, and staff in a joyous atmosphere. A highlight of the event was the traditional "Dar" feast, a pre-Teej ritual where women partake in a special meal. The council ensured that all female students and faculty members were treated to this customary feast, fostering a sense of community and shared cultural experience. The program was further enlivened by a series of captivating music and dance performances, showcasing the rich cultural heritage and traditions associated with Teej. These

performances added color and energy to the celebration, providing entertainment and a deeper understanding of the festival's cultural significance. As a thoughtful gesture of appreciation and to further enhance the festive spirit, the Student Welfare Council distributed beautiful earrings to all the women present, including both students and lady teachers. This act of giving added a personal touch to the event and served as a lasting memento of the celebration. The Teej program at Kathmandu Don Bosco College not only provided a platform for cultural exchange and celebration but also strengthened the bonds within the college community, creating a memorable and joyful experience for everyone involved.

DASHAIN KO RAMAILO !

2 Oct 2024

Kathmandu Don Bosco College (KDBC) recently resonated with the festive cheer of Dashain, Nepal's most significant festival, through a vibrant program titled "Dashain ko Ramailo," organized by the college's dedicated Student Welfare Council. This initiative aimed to immerse the entire college community in the spirit of the festival, fostering a sense of unity and celebration. A central element of the program was the traditional offering of Dashain tika, a mark of blessing and good wishes, bestowed upon all students by the esteemed Council President.

This symbolic gesture reinforced the cultural significance of the festival and created a warm and inclusive atmosphere. Following the tika ceremony, attendees were treated to a delectable feast featuring a variety of authentic Newari delicacies. Notably, these dishes were lovingly prepared by the students themselves, showcasing their culinary talents and adding a personal touch to the celebration. The festive atmosphere was further amplified by a series of lively student performances, showcasing their diverse talents in song and dance. These performances added energy and vibrancy to the event, providing entertainment and creating memorable moments for everyone present. Throughout the program, students exchanged

heartfelt Dashain wishes, strengthening bonds and fostering a sense of camaraderie within the college community. Recognizing the importance of capturing and sharing these special moments, the college's podcast team was on hand to document the joyous occasion, creating a special vlog that will serve as a lasting memento of the "Dashain ko Ramailo" program. This initiative by the Student Welfare Council not only provided a platform for cultural celebration but also reinforced the sense of community and belonging within KDBC, creating a truly memorable and joyful experience for all involved.

SEMINAR SERIES-I

21-26 Oct 2024

The Seminar Series-I for the MBA 2024 batch (2nd semester) was successfully conducted from October 21-26, 2024. The sessions were expertly led by Dr. Bharat Singh Thapa, Ph.D., an esteemed Assistant Professor and MBA-Finance Program Director at CDM, Tribhuvan University, Nepal.

This comprehensive seminar was designed to provide students with valuable insights into Business Development Plans and their role in launching successful startups. Dr. Thapa's expertise and engaging approach offered students a practical understanding of the foundational skills required to craft well-structured, effective business plans tailored for entrepreneurial ventures.

The series served as a platform for students to enhance their strategic thinking, analytical skills, and creative approach to problem-solving, empowering them to transition seamlessly from academic learning to real-world applications.

INTERNATIONAL COLLABORATION SUCCESS

27-30 Oct

As a part of the University Exchange Program and the fruitful result of the MOU between IMC KREMS and Don Bosco College, we were honored to welcome Prof. Suneeta Paudel to Kathmandu Don Bosco College. Dr. Suneeta Paudel, a distinguished Senior Lecturer and Researcher from the University of Applied Sciences KREMS, Austria, visited the college under the Erasmus Staff Mobility project. Her visit has paved the way for numerous collaborative opportunities between our institutions, fostering a deeper connection that will benefit students, faculty, and academic pursuits alike.

During her stay, Dr. Paudel's interactions were truly inspiring. Dr. Biju Kumar Thapalia, Vice Chancellor of Purbanchal University, engaged in a productive meeting with her, exploring avenues for joint faculty exchange programs, collaborative research initiatives, and virtual consultations. These discussions have the potential to strengthen academic cooperation and knowledge-sharing,

providing immense value to colleges affiliated with Purbanchal University.

Dr. Paudel also took the time to address our students, offering insightful lectures on the transformative role of Artificial Intelligence (AI) in education and its practical applications in the modern world. Her expertise and vision have left a lasting impact, motivating both students and faculty to embrace emerging technologies and explore new frontiers in learning. This visit has not only deepened our relationship with the University of Applied Sciences KREMS but has also set the stage for a bright future of academic excellence and international collaboration. We are truly grateful for Dr. Paudel's valuable contributions and look forward to further enriching our educational endeavors together.

Congrats

BBA DAY OUT

26 November 2024

Kathmandu Don Bosco College's (KDBC) BBA students recently took a welcome break from their academic routine with a refreshing and rejuvenating day-out program, centered around a short hike to the scenic Hattiban-Champadevi trail. This initiative provided a valuable opportunity for students to connect with nature, unwind from the pressures of studies, and strengthen the bonds within their cohort. The Hattiban-Champadevi trail, known for its picturesque views and relatively accessible terrain, provided an ideal setting for this outdoor excursion.

The hike itself offered a chance for students to enjoy the natural beauty of the surrounding landscape, breathe in fresh air, and engage in casual conversation, fostering a sense of camaraderie. To further enhance the experience and create a relaxed and enjoyable atmosphere, a live BBQ was organized as part of the outing. This provided a delicious and social dining experience, allowing students to share food, laughter, and stories in a casual outdoor setting. The combination of physical activity, natural surroundings, and a shared meal contributed to a truly memorable and enjoyable day. This initiative by KDBC highlights the importance of balancing academic pursuits with opportunities for relaxation and social interaction. By providing students with the chance to step away from the classroom and engage in outdoor activities, the college promotes well-being and fosters a strong sense of community. The day-out program to the Hattiban-Champadevi trail proved to be a resounding success, providing students with a much-needed break, a chance to connect with nature, and an opportunity to build stronger relationships with their fellow students. This type of initiative plays a vital role in creating a positive and supportive learning environment at KDBC.

SPSS TRAINING

27 - 28 November 2024

Kathmandu Don Bosco College organized an SPSS training and thesis proposal writing session for its MBA/EMBA students. The training, led by Dr. Surendra Mahato, a distinguished researcher and SPSS trainer from Tribhuvan University, aimed to strengthen students' skills in statistical analysis and academic writing. Dr. Mahato delivered a series of dynamic and engaging sessions, offering an in-depth understanding of the SPSS software. He meticulously guided students through data entry, manipulation, and analysis, ensuring they gained clarity and proficiency in using the software. Participants were also tasked with collecting data and applying various statistical methods in SPSS, enabling hands-on practice and real-world application of their learning. Through his interactive approach, Dr. Mahato broke down complex concepts into simple, understandable steps, making the sessions both enjoyable and informative. His use of discussions and activities kept the students actively engaged while deepening their understanding of data analysis techniques. By the end of the training, students had acquired valuable skills to analyze data effectively, equipping them to excel in their MBA projects and future research endeavors.

BBA INDUCTION

11-30 November 2024

Kathmandu Business College (KDBC) recently welcomed its incoming BBA class with a comprehensive and engaging series of induction sessions designed to facilitate a smooth transition into college life and lay the foundation for future success. These sessions were carefully curated to not only acclimate students to the academic environment but also to connect them with industry professionals and foster a strong sense of community within the KDBC cohort. The diverse program spanned a wide range of pertinent topics, ensuring students gained a holistic understanding of both academic and professional landscapes. A key focus was providing industry insights, particularly into the burgeoning Nepalese IT sector, offering students a glimpse into potential career paths and industry trends. Recognizing the importance of effective communication in today's professional world, dedicated sessions were conducted to hone

these vital skills. Furthermore, the induction program emphasized personal development, offering workshops and presentations on essential skills such as digital marketing and leadership, empowering students to enhance their personal and professional capabilities. Beyond industry-specific insights and personal development, the sessions also covered crucial life skills. Students gained valuable knowledge on financial literacy, equipping them with the tools to manage their finances effectively. In an increasingly digital world, sessions on digital safety were also included, ensuring students are aware of online risks and how to navigate them responsibly. Recognizing the importance of future preparedness, the induction program also dedicated time to discussing future readiness, helping students understand the skills and knowledge they will need to thrive in the evolving job market. The college also facilitated invaluable connections with renowned companies such as Perfetti-Van-Melle, who provided valuable industry insights, showcasing real-world career opportunities and expectations within their

respective fields. This direct interaction with industry leaders gave students a realistic perspective on the professional world and helped them understand the skills and qualities employers seek. To ensure students were fully informed about the college environment, a dedicated session provided a comprehensive briefing on college life, covering essential information such as rules, regulations, available resources, and opportunities for involvement at KDBC. This session aimed to address any initial anxieties and ensure students felt comfortable and well-informed about their new academic home. Overall, the induction sessions were exceptionally well-received by the incoming BBA class, providing them with a wealth of valuable knowledge, crucial industry connections, and a strong foundation upon which to build their academic journey at KDBC. The program successfully achieved its goal of creating a welcoming and informative environment, setting the stage for a successful and enriching academic experience.

MBA INDUCTION 2024 FALL

9 -14 December 2024

The college organized a comprehensive Induction Program to warmly welcome its 29th batch of MBA students. Designed as a week-long session, the program offered a thoughtful mix of academic, professional, and personal development opportunities, ensuring students began their MBA journey on a strong and confident note. The induction featured diverse sessions tailored to enhance

essential skills and knowledge. Mr. Chandrayan P. Shrestha led an engaging session on interpersonal skills, emphasizing their importance in professional success. Another key focus was fostering critical thinking through case development and analysis. Students actively participated in hands-on activities, such as case studies, which allowed them to bridge the gap between theory and practice effectively. One of the program's major highlights was an insightful session on banking reforms and the future of banking, delivered by Mr. Prabin Basnet, former CEO of

Kamana Sewa Bikash Bank. This session shed light on the ever-evolving banking landscape, equipping students with valuable perspectives on industry trends and innovations. Through these enriching sessions, the MBA students gained a solid foundation in key management concepts while sharpening their analytical and interpersonal skills. The induction program served as an inspiring and impactful start to their MBA journey, preparing them to navigate and excel in the dynamic business world.

CASE STUDY WORKSHOP

13-14 December 2024

A two-day Case Study Workshop on 'Fintech Development in Nepal' was successfully organized by the college, aimed at providing MBA students an in-depth understanding of the rapidly evolving digital payment landscape in Nepal. The workshop brought together practical insights, industry expertise, and creative problem-solving to explore the opportunities and challenges in the country's fintech sector. The primary objective was to foster analytical thinking and strategic decision-making among students by engaging them in real-life case studies related to fintech. The workshop emphasized the critical role of

digital payments and green finance in transforming Nepal's financial ecosystem.

Students gained insights about the financial inclusivity and the adoption of green finance principles. Understanding regulatory frameworks and their role in fostering a conducive environment for fintech development.

The sessions were led by Mr. Sanjib Subba, the founding president of Fintek Alliance Nepal and Chairperson of the SDG Sub-Platform for Green Finance. With years of experience in banking, fintech, and global platforms, Mr. Subba shared invaluable insights on: Emerging trends in digital payments, Strategies to integrate fintech with sustainable

development goals (SDGs) and Opportunities for innovation in green finance.

Students engaged in teamwork, showcasing their ability to apply theoretical knowledge to practical problems. They received constructive feedback from Mr. Subba, refining their approaches to case-solving.

The workshop proved to be an enriching experience for the MBA students, equipping them with essential skills to tackle real-world challenges in the fintech domain. The college is committed to organizing similar events in the future to provide students with practical exposure and keep them abreast of industry developments. KDBC extends its gratitude to Mr. Sanjib Subba for his valuable contributions.
